List of games by date

From the Super Mario Wiki, the Mario encyclopedia

> *This article is about games in the Super Mario franchise and all related series, sorted by release date. For games sorted by video game system, see List of games. For games sorted by genre, see List of games by genre.*

This is a list of **games** within the *Super Mario* franchise and all related series, organized by their initial release date. All release dates are for the first release, regardless of region. For the re-releases of games on classic game services for newer consoles, see Virtual Console and Nintendo Switch Online § Nintendo Classics.
